Industry Partnership

The University of Texas at Austin Department of Biomedical Engineering seeks to strengthen its partnership with companies in the biomedical engineering industry. The goal of this partnership is to develop long-term relationships that will expose companies to scholars (future employees) and research opportunities, while supporting the student success initiatives and strategic goals of the department.

A commitment by 9/30/2013 secures partner benefits for September 2013–August 2014. Submit your company’s commitment online at http://links.utexas.edu/shuwle. Contact Margo Cousins at 512.471.3049 or margocousins@mail.utexas.edu for more information.

Your commitment of $2,500 by 9/30/2013 secures the following partner benefits for Sept. 2013–Aug. 2014.

Company recognition on Industry Partners board in the Advising Office
Hundreds of the most talented and highest qualified students come to the BME Academic Advising Office several times a semester.

Invitation to Biannual Undergraduate Research Symposia
Send company representatives to talk to students about their ongoing achievements in research, and participate as a judge in the poster competition at the spring symposium.
Dec. 6, 2013, and May 2, 2014

Company recognition on BME website
As the 14th best Biomedical Engineering program according to the U.S. News & World Report 2013, our website has high traffic from the best engineers and scientists in the world. Expose your company with a direct link to your site.

Company recognition on BME building lobby monitors
The BME Building is a state-of-the-art research and teaching facility positioned strategically in the center of the engineering and science areas of the UT Austin campus. Expose your company to our students and faculty, and collaborators from pharmacy, biological sciences, and more that use our lobby every day.

Invitation to fall Welcome Gathering and recognition as an event partner
Each fall we welcome 450+ students back to campus with an afternoon event that includes keynote speakers, networking, summer research posters, and free t-shirts! Sept. 3, 2014

UT BME-branded gifts
Pint glasses, water bottles, phone accessories, shirts and more!

Paid parking for UT Austin campus visits
Business on campus gets more practical with free parking!

Tax deduction
Your donation is tax deductible.

Your commitment of $5,000 by 9/30/2013 secures **Gold Benefits** plus the following for Sept. 2013–Aug. 2014.

**Student field trip hosting opportunities**
Introduce a day-in-the-life of working at your company to our students through half- or one-day “treks” to your company site. **Summer 2014**

**Reduced subvention fee for a Senior Design Project**
Work closely with a team of biomedical engineering seniors on a design project defined by your company. The fee reduction is a $2,500 value. **Oct. 2013–May 2014**

**Invitation to attend the fall BME networking reception for the Biosci & Biotech Career Fair**
The annual Bioscience and Biotechnology Career Fair is hosted by and run by engineering and science students. This career fair is small and focused on matching students with biotech companies. The evening prior to the fair BME will host an exclusively BME networking reception for our students to meet you! **Oct. 29–30, 2013**

**Company recognition at Annual BME Graduation Reception, and opportunity to present the Alumni Awards**
The annual BME Graduation Reception is a significant event for all Biomedical Engineering BS and PhD graduates to celebrate with family, friends, and the department. Alumni awards presentation and a keynote speech give your company distinctive exposure the brightest engineering graduates from the 8th engineering school in the nation, per the *U.S. News & World Report* 2013. **May 16, 2014**

**Keynote speaker opportunities at another special event**
Choose any event for a keynote speech that targets your company’s publicity demands:

- External Advisory Committee dinner **Nov. 21, 2013**
- Fall Welcome Gathering **Sept. 3, 2013**
- Graduate Reception Event **May 16, 2014**
- “Gone to BME” Event **Aug. 26, 2013**
- Design Competition **Fall 2013**
- Professional Development Workshops for BME Students **Oct. 2013–Apr. 2014**

Your commitment of $10,000 by 9/30/2013 secures Platinum Benefits plus the following for Sept. 2013–Aug. 2014.

**Company-named scholarship**
We will set up and administer a named scholarship to support one student for the academic year. The scholarship type will be determined by your company. Types include general academic student support, Study Abroad program funding, research conference attendance support, and others. **Sept. 2013–May 2014**

**Complimentary Senior Design Project**
Receive a fee waiver to work closely with a team of biomedical engineering seniors on a design project defined by your company. **Oct. 2013–May 2014**

**Deliver a talk to faculty and graduate students as an honored BME Seminar Series speaker**
The *Biomedical Engineering Seminar Series* is an important weekly event attended by all BME graduate students and faculty. Prestigious researchers and clinicians are specifically invited to give an hour-long talk on the subject of their choosing. If you have an interest in engaging with faculty in research, this is an exclusive opportunity to promote your company’s technical focus and goals for fostering relationships with department researchers. **Sept. 2013–May 2014**

**Department-wide job and internship postings**
Target your job opening announcements to biomedical engineering students. Unlimited job postings will be advertised to all current students, alumni and postdoctoral researchers. Your company’s postings will be marketed through the LinkedIn Alumni group, student email lists, and posted in the BME Building Academic Advising Office. **Sept. 2013–Aug. 2014**

**Partner-of-the-Month feature on the BME website and newsletter**
Each month we will feature a Burnt Orange Industry Partner on the main home page of the website. As the 14th best Biomedical Engineering program in the nation, according to the *U.S. News & World Report* 2013, our website has high traffic from the best engineers and scientists in the world. We also post a [monthly newsletter](#) to stay updated with research collaborators, alumni, and partners. This promotes recognition to the department’s extended network by spotlighting your company as an integral UT BME partner. **Sept. 2013–Aug. 2014**

**Company spotlight on BME Alumni LinkedIn Group**
Promote your company’s latest developments to an exclusive social media network of BS, MS, and PhD graduates from our Biomedical Engineering programs. **Sept. 2013–Aug. 2014**
